We are one of the distinguished exporters, importers and suppliers of a variegated product range like agricultural products, pumps, auto parts and others. They find applications in agriculture, automobile, construction and other industries.

About Us

Established in the year **2006**, **Rajarana Impex** is one of the leading exporters, importers and suppliers of diverse range of products. We provide our clients with Construction Machinery, Auto Parts, Hardware Parts, Diesel Engines and Pumps. In addition, we also procure Agricultural Products, Grinding & Hammer Mills and Crushers. Besides, we are also known as the leading supplier of Arch Welding machine and Plastic Ropes. These products are manufactured at the vendor's premises as per the quality standards of the industry.

Our tie-ups with the leading vendors have helped us in serving optimum quality products to our clients worldwide. With our client centric approach, we are capable of understanding the specific requirements of our clients. We carry stringent quality test right from the sourcing procedure until the final dispatch. Meeting the requirements of various industries, we have become a leading exporter and importer.

We led by our founder and CEO **Mr. G.K. Jhala**, who is a well qualified commerce graduate and has a vast industry experience of 30 years. Moreover, he has also worked with two renowned Export Houses as an Export Executive for 20 years. Under his visionary approach and guidance, we have garnered a vast clientele in Africa, Middle-East, South-East Asia, Europe and America.
